

FRIENDS OF THE ALBANY BERKSHIRE BALLET

2010 - 2011 MEMBERSHIP DRIVE

The Albany Berkshire Ballet (ABB) is a professional, nonprofit dance company founded in 1960 by artistic director Madeline Cantarella Culpo. In addition to annual performances of The Nutcracker, the ABB has performed works in both the classical and contemporary idioms ranging from Giselle through Our Town, with stops for Alice in Wonderland and the Rockwell Suites! With help from individuals such as you, the ABB will be able to continue the magic of The Nutcracker and explore opportunities for more Albany-based performances in the coming year.

As government funding support has eroded, the major sources of funding are ticket sales and membership in the Friends of the Albany Berkshire Ballet (FABB). For over 20 years, the Albany FABB has provided continuous support to the ABB – raising over \$45,000 in the past four years alone. Please note that all funds raised by FABB are for the exclusive and sole benefit of the nonprofit company. There are no administrative or other expenses for FABB, which consists entirely of volunteers. Won't you please help by joining FABB during our 2010 - 2011 membership drive?
