

Members of FABB (Albany Chapter)

We hope you had a wonderful holiday season, and enjoyed the ABB's performances of **The Nutcracker** in one of our five venues this past November and December! This spring, we will be featuring the young dancers of the ABB Junior Company, along with students from the Cantarella School of Dance in Pittsfield and the School of the ABB in Albany, in **The Sorcerer's Apprentice**, choreographed by Robert Atwood, and the timeless classic **Les Sylphides**, choreographed by one of classical ballet's greatest choreographer's, Michael Fokine.

As a special thank you for your support, the ABB is offering you the opportunity to purchase tickets for this performance for a full week before offering them to the general public. Even more exciting, FABB members who joined at the higher levels will be entitled to a free ticket(s) in addition to those you may have already gotten for The Nutcracker. All you need to do is fill out and drop off or mail this ticket form to the School and we will be happy to fill your order. Please note that you are a FABB member and that you are requesting your free ticket(s) on the order form.

Space is limited, order today!

Featured Dancer (\$80): 1 child/student ticket Principal Dancer (\$125): 1 ticket Soloist (\$250 and above): 2 tickets

We hope you will join us for an evening of **Fun and Fantasy** as we welcome in spring at the ABB!

Albany Berkshire Ballet Junior Company presents
